

Volunteer **GRAPHIC DESIGN**

CAMELEON is an international solidarity organization that protects and rehabilitates sexually abused girls in the Philippines. We help them to rebuild, to learn to love themselves and others, and to regain a taste for life. After a strong mobilization of our team in the Philippines with the local authorities and the population, we make every effort to make French citizens aware of CAMELEON's cause. As part of various communication projects and awareness campaigns, we are looking for a graphic design volunteer.

*To integrate CAMELEON as a volunteer is to take part in a **solidarity and convivial adventure** for the benefit of abused and disadvantaged children.*

THE ASSIGNMENT

Alongside the association's employees, the volunteer brings our multimedia projects to life and design various communication tools (annual reports, posters, flyers, etc.).

CRITERIA

Occasional or regular commitment, which can be carried out at remotely or at the association's office in Paris according to the wishes and availability of the volunteer.
