Organizing the *PHOTO EXHIBITION*

FRONTIERES

CAMELEON is an international solidarity organization that protects and rehabilitates sexually abused girls in the Philippines. We help them to rebuild, to learn to love themselves and others, to regain a taste for life. It is precisely this personal reconstruction, this way of life articulated around the theme of borders that is highlighted in this traveling exhibition. For over a year, the 40 works of the photographer Pedro Lombardi have traveled across France (Reims Opera, Palais des Congrès du Touquet, The Solidarity Associations of Paris House, etc.) and even Switzerland (Maison de la Femme in Lausanne).

*To integrate CAMELEON as a volunteer is to take part in a **solidarity and convivial adventure** for the benefit of abused and disadvantaged children.*

THE MISSION

- They approach prospective exhibition locations

- They coordinates the exhibition communication
