HANDICRAFT SALES

CAMELEON is an international solidarity organization that helps disadvantaged children who are victims of child abuse in the Philippines as well as their families. In total, no less than 476 children are followed by the association and currently, more than 3,000 people benefit from these programs. CAMELEON encourages young girls who are victims of sexual abuse to express themselves through recreational and therapeutic activities, including the creation of jewelry and objects. These crafts and solidarity products can raise funds for the benefit of the children and raise awareness of the association's cause. CAMELEON also wants to reinforce the distribution of these products by developing partnerships with shops and retailers in Paris and in the region.
